

EELP WARRANTY

Emergency & Exit

Any component of our emergency or exit lighting products that fails due to a manufacturing defect will be replaced at no cost within 5 years of the invoice date. Replacement will be for the failed component or a new unit at EELP's discretion. All defective units are subject to manufacture testing. Should any failed units be found defective from misuse, improper installation, or faulty wiring, the customer will be charged for the replacement. ***Under no circumstances will EELP be responsible for back charges of any kind, including, without limitation, labor charges, equipment rental fees or late penalties unless prior written approval has been given.*** To activate the warranty, the product must be installed and maintained properly. The batteries must be placed in service and fully charged within 90 days of invoice date. Damaged products must be reported to EELP, in writing, within 10 days of the invoice date.

Inverters

EELP shall warranty all inverter systems against defects in materials and workmanship for 1 year. The warranty shall cover all parts for 1 year. With optional start-up provided by an EELP authorized technician, onsite warranty shall be covered for one year. Maintenance contract packages and extended warranties are also be available.

*This warranty statement supersedes all previous warranties
