Subject: EELP Grind - PRODUCT CHANGES

The Grind

Provided by EELP, Inc.

JANUARY 29, 2010

PRODUCT CHANGES

Due to component availability and pricing changes, several

Built to Order Items

will need to be quoted prior to ordering.

The alternates shown below are equivalent to our standard units, but are more readily available and competitively priced.

IES..... ALTERNATIVE - IES-B

IMW ALTERNATIVE - IMW-B

IHW..... ALTERNATIVE - IHW-B

The IES, IMW and IHW are still available to match existing jobs.

Please contact us for a quote.

Below are additional products that need to be quoted prior to ordering.

**Call for a QUOTE on:
RXE; MS; SPCA; EAD; EA; VXE**

We are currently working on a new comprehensive price sheet to include all these changes.

Updated product cut sheets are available for alternative fixtures, please contact our office for assistance

Our new website is being finalized and will have all our product cuts available for download.

Please email tberger@eelp.net if you cannot find the cut sheet you need.

Reminder
