WE HEARD YOUR CRIES

Over the past few weeks our websites have been under construction in anticipation of a new website design...

In the interim, many of you expressed difficulty navigating without the pictures.

They say a picture is worth a thousand words, so we are working to have the images available for your convenience.

SITE UNDER CONSTRUCTION!!!

Make EELP
your next stop
for
emergency
lighting or exit
signs.

**As of Friday, September 25, 2009 our websites will be reverting back to the old format,
while the new re-design is being finished.**

NOW YOU WILL BE ABLE TO MORE EASILY BROWSE THE WEBSITES AND SEND ORDERS AT WILL !!!

SWEETEEEEET !!

**UNTIL OUR WEBSITE IS COMPLETELY OVERHAULED.....
WE WILL KEEP THE OLD FORMAT ACCESSIBLE**

EELP offers many innovative designs and the choices for [emergency lighting](#) and [exit signs](#) fixtures and their [accessories](#) for almost any application.

Life safety equipment requires 100% dependability and reliability. All EELP products are manufactured with UL Listed components under stringent quality control measures to meet this need. Every product is tested before leaving the factory to ensure it will operate properly in the field.

EELP pledges to provide quality manufactured products. All of our products have been designed to include features to make the installation simple. EELP will continue to design and manufacture new products every year to meet the changing codes and designs of emergency and exit lighting.
