**NEW PRICING EFFECTIVE 6/14/10
&
SEVERAL NEW PRODUCTS NOW LISTED!!!**

GREAT NEWS

Our new price list is now at your fingertips!!

Our updated EELP Lighting Pricing has been posted on our secure website.

Over 90% of the prices have been lowered or remained the same.

This is just one more reason to check out our new website or contact us if you cannot access the secure area.

Please take some time to review all the new products and pricing.

We have LOWERED the price on many of the most popular items to assist you in these tough economic times.

Please make a note that several fixtures are now available in Induction & LED configurations.

Although the prices aren't posted yet, we have begun filling orders. Please call Rob or Gary if you have any Induction or LED opportunities you want to discuss.

Please contact us to discuss any pending orders or quotes that may have been affected by the updated pricing.

Thank you for your continued support!
