## **PULSE START METAL HALIDE**

**Just a reminder:**

**Virtually all of our HID Outdoor fixtures are in stock  
in Pulse Start up to 750 watts**

**Please reference our new catalog for updated part #'s**

**[www.eelplighting.net](http://www.eelplighting.net)**

---

---

**We still have stock available on several fixture types  
with**

**Probe Start Ballasts**

**If your job requires a lower price  
and probe start technology is acceptable, please call  
us for availability.**

**From your friendly Grind Staff  
Rob, Diane, Trish, Gary & Kristin**
